Heartsong

Did you know that besides your Heartbeat, your Heart has a song?, as do the other organs in your body.

Your Heartsong is created from the emotions and feelings you have experienced throughout this life, Past Lives, your Ancestors and from your Soul.

The more sadness, loss, betrayal, trauma and anger you have experienced, the sadder your song will be.

Have you done lots of work on yourself, releasing and resolving traumas from your life, but you still feel like you have some sadness and heaviness in your heart, and just still sits there?

Do you feel like that this sadness there has always been part of you, and that you have never really known what it feels like to be truly happy and what it is like to have a light filled Heart that sings with joy?

Are you ready to get a joyful uplifting Heartsong and to have a Heart full of love and happiness, not sadness and sorrow? Are you ready to step into your true magnificent self, and light up the world with your brilliance? Have you had enough of feeling Blah? Are you ready to sing like a bird?

45 minute Session for \$ 75.00 AUD plus One Angels of Emotions Recording, for ongoing support.

Group Online Guided Mediation and Healings with The Angels of Emotions.

These 1/2hr sessions are going to be held twice a month on approx. the second and fourth week of the month on a Monday, with two sessions available, 9.30am and 8.00pm AEST.

They have a triple whammy to them;

Part 1 Angel Oracle Card is drawn and whatever the emotion on the card is, that will be the emotion that is focused on, I will then give a channelled message from the Angels about the emotion.

Part 2 I will guide you into a Mediation, where you will be able to explore that emotion and bring up any memories that you have surrounding it.

Part 3 While you are still in the mediative state I will be doing an Angels of Emotions Aura clearing, and you know how powerful they are.

So basically you just get to sit in the comfort of your own home, wearing what you are comfortable in, and get to relax for 1/2hr, while I do 95% of the work with the help and guidance of the Angels of Emotions.

The cost for the month is \$26.00AUD for both sessions, if paid by 31/07/17, after that the price goes up to \$35.00AUD. If you decide that you want to continue on, as a client of mine, and as a Thank You from me, you will get to keep the rate of \$26.00, for as long as you want to continue on, non-clients are only being offered the \$26.00 rate for the next 3 months.

After payment is received I will connect you to my FB Group, and all other details will be in there. If you aren't on FB or don't want to join the group, that's fine just send me an email and I will email you the details back.

The sessions won't be recorded, so you will need to be there for the session.

If these times don't suit you and you can get a minimum of 5 people who would like to do them with you, please let me know, I am open to other day and time options.

Sessions will be done via Zoom.

Thetahealing Class

Unfortunately we had to cancel this Class, due to lack of numbers, but hopefully later next year, we might be able to revisit the idea.

Zoom

Zoom is a wonderful Online Meeting Room and is where I hold 90% of my On-Line Sessions. If you are going to connect with me via Zoom, I suggest you go to <https://zoom.us/> and create your own account, it's free. This way you will be able to make sure that your Microphone and Video camera are working ok, before we connect. There is nothing more disappointing, than not being able to join in due to Mic or Video failure.

I use Zoom because it is more stable than Skype, and can be used for a one on one session, or group sessions. I also use it privately and love the fact that I can share my Screen and show friends and family what I am working on instantly.

Facebook

Have you liked my Facebook page yet?

Most of my Offers get placed there first, so if you haven't liked the page and commented or liked any of my posts, then you are missing out on being first to know what I am offering. I am also going to be putting up offers for some quick free Oracle Card Readings, when I have down time, and they will only be appearing there, so you could miss out on some important wisdom from the Angels and myself.

Take care of yourself and hope to see you soon
